

We have been working hard on giving our patrons the best & friendliest service we can. Because of that goal, we are bringing a few new things to the library.

National Library Week is April 7-13. We are offering two ways for patrons to reduce their fines: food for fines and read off your fines. If you do both, you can have up to \$20 worth of fines forgiven. This does not apply to lost or damaged materials.

Food for fines: any patron can bring a can or box of unexpired food and have \$1 taken off their fine. You can have up to \$10 worth of fines forgiven.

Read off your fines: any patron can come into the library, read for 15 minutes, and have \$1 taken off their fines. You can earn up to \$10 worth of fines forgiven.

You may have noticed that our **Second Chance Bookstore** is temporarily relocated. We are overhauling it and fixing it up. We hope to have it reopened by early summer! When it reopens, it will house the book sale and our local history materials.
